Saturday Rides

New route rotation for 2026 started on February

7. Please download routes at links below.

The Saturday ride rotation was reduced to five routes starting on February 7. In addition, **ALL the Saturday rides (except remote rides on the last Saturday every other month) will start at Stage21 (our club sponsor).** This way, you always know where rides start and it will be easier for everyone to learn the routes. We also selected routes that are easier to keep the group together with less regrouping. We strive to make our rides welcoming and fun for as many as possible.

New Kit Batch Store Closes Sunday, June 7

The team store is open now and closes Sunday, June 7.

If you missed the batch store pricing last month, or if you ordered bibs and want to take advantage of the 50% replacement offer or order your free replacement after returning your original bibs, please make sure to start the process as soon as possible.

There was a production error involving the side thigh panels on the bib shorts. The side panels were supposed to be made from **all-black material**, but instead a white panel material was used and dyed black.

If R5Ciclismo members missed out on purchasing bibs in the previous batch store, now is the time to get the bibs at the current bulk pricing of \$143 since 13-24 bibs will be re-purchased. The price may get as low as \$132 with additional orders.

Here is the link to the new kit store:

Ride Waiver

We kindly ask **ALL** cyclists joining our rides to sign our Ride Waiver. This is required by participants, to acknowledge the inherent risks in cycling, to release R5CICLISMO from liability, and to provide informed consent. The Waiver offers legal protection, documents participants' awareness, and promotes safety during cycling activities. Once signed, your waiver is valid for the calendar year in which you signed. ***2026 Members have signed the Waiver during the registration process.***
